

California Budget & Policy Center

Independent Analysis. Shared Prosperity.

Giving Group

The Budget Center's Giving Group is composed of a community of supporters that participate in our goal of creating shared prosperity and greater economic security for all Californians. This community makes a significant difference in our ability to prepare for and respond to critical issues and key policy questions facing California.

Contributions and commitments from our most loyal and generous supporters allow us to expand our outreach; conduct more extensive research; offer opportunities to educate, engage, and empower advocates, state and local decision-makers, researchers, funders, and other leaders with the information they need to provide better opportunities for low- and middle-income Californians; and strengthen our state.

As a member of the Giving Group, you will be a part of a community that helps our team stay on top of key issues facing Californians and their families, and provide an opportunity for all Californians to participate fully in the state's economic, social, and political future.

While any size gift is important and will contribute to our goals, a minimum donation of \$1,000 is necessary to become a member of the Giving Group. In addition to helping achieve our goals, members of the group receive multiple benefits – see below.

GIVING GROUP BENEFITS

Access to special advance briefings of major projects and reports released throughout the year

Giving Group acknowledgement on the Budget Center's website

Giving Group acknowledgment in the *Policy Insights* program – our annual conference

An invitation to a special reception for the Budget Center's event sponsors and major donors

Reserved seating for *Policy Perspectives Speakers Series* – our new program of annual events

(For more information, check out our website calbudgetcenter.org)

If you are interested in joining our Giving Group, or have any questions, please contact Janis Yee, Development Manager, at 916.444.0500 or via email at jyee@calbudgetcenter.org.
